# ARTS MARKET

SATURDAY 11<sup>TH</sup> JUNE, 2005

12pm - 6pm

The DRILL HALL

30-38 Dalmeny St, Leith, Edinburgh

## CONTEMPORARY ART IN A UNIQUE SETTING

Following the huge success of last year's arts market, **Out of the Blue** will once again be hosting the event on Saturday 11<sup>th</sup> June in conjunction with the **Leith Festival**.

With around 40 artists participating there will be a variety of work on display including jewellery, furniture, fabric arts, fashion, photography and painting. The relaxed atmosphere provides a perfect setting to snap up some original artworks with no gallery commission.

Last year the market attracted more than 600 visitors whilst creating a platform for local artists and designers to showcase their work. It emphasises the diversity and uniqueness of Edinburgh's creative talent and incorporates a range of styles, effectively representing the broad spectrum of artists in the city.

This one day spectacular also presents an opportunity to view the **DRILL HALL** building in its stunning raw form before the renovations commence to establish the space, not only as a multi-arts creation centre, but as a venue for the forthcoming Edinburgh International Festival in August.
