

## Seven of the 7th

Lt. Noel Graham Salvesen

Lt. Noel Graham Salvesen was one of the 7 officers, who survived, though injured, from the train crash. His cousin, Lt. Christian Raymond Salvesen died. Noel lived until 1971.

Research volunteer Gwen Currie chose to research the Salvesen family as she is acting in '*Persevere*' and plays a mother with 2 sons on the train but only 1 survives. Interested in the family's impact on Leith she imagines Noel writing to his cousin Ernest Trayner Salvesen.
